**GLADE YARD SALE DAY- MAY 11TH**

Residents, Dan and Rosemary Flatt have volunteered to organize a Glade Yard Sale Day again this spring. Past years, many township residents have had greater success having their yard sale coincide with the township’s clean up date. The Flatt’s will create a map listing all of the sales within the township, if you would like to be included on the map: Please contact Dan at 723-2903 or Rosemary at 723-3448.
REAL ESTATE TAX COLLECTION

Article By: Janet Buckler, Glade Twp. Tax Collector

PA-1000 Applicants: I have a few PA-1000 Property Tax or Rent Rebate Program applications if you need one. They are also available at Kathy Rapp’s Market Street office. If you need a receipt to send in with the application please call at the number above to make arrangements to either pick it up or have it mailed.

Mobile Homes: Each year mobile homes are moved or sold without a proper permit. You must have a Mobile Home Permit from me before moving a mobile home out of or within Glade Township. The Assessment Office at the Court House must be advised when a mobile home is sold or moved so future tax bills are issued and mailed to the correct owner.

New Office Hours: New office hours will be printed on the 2013 tax bills. FYI: Starting August 27th through September 30th 2013 office hours will be Tuesday and Thursday from 1:00 p.m. until 5:00 p.m. and Wednesday evenings from 6:00 p.m. until 8:00 p.m. Please call for an appointment at any other time of the year.

New Software: Warren County is in the process of “tweaking” new software for the 2013 tax bills. The bills may have a different look.

Email: My email address is jrbglade@aol.com.

This past year has been a pleasure. Thank you for your cooperation, friendliness, and patience. I believe Glade Township is THE best township to live in Warren County because of the residents, our Township officials and employees. I am looking forward to working for and with you in the coming year. Think Spring.

REAL ESTATE TAX COLLECTION - (Continued)

Postmarks, Deadlines, and Post Dated Checks: Pennsylvania law requires a United States Postal Service postmark for acceptance of property tax payments. A stamps.com postmark is not acceptable. There is no date on the stamp or envelope. Please do not use this method of postage for last minute payments. They will be returned to you unprocessed if received after the due date. Many taxpayers insist on waiting until the last week or even the last day to mail their payments. Each year property owners miss out on the discount or even face amount deadlines because of calculation errors, unsigned checks, incorrect legal line amounts, misrouted mail, unacceptable post marks, postdated checks, NSF, incorrectly addressed envelopes (Jennie Caldwell is still getting payments delivered to her house), etc. Mistakes happen and can often be corrected if time allows. However, there is not enough time to return the payment, correct the payment, and then return it back to me if the last minute payment is received on or after the deadline. A telephone number noted on your check or coupon is extremely helpful for this reason. Last but not least, Tax Collectors cannot accept a payment at discount, face, or penalty when the check is dated after the deadline nor can we “HOLD” a check for deposit until after the deadline. Please refrain from asking.

Board of Supervisors Meetings

Meetings are the First and Third Tuesday of each month, at 7:00 p.m. in the Glade Municipal Building. Any change to a meeting date will be advertised in the Times Observer, Legal Notices and will be posted on the front door of the Municipal Building.
EMERGENCY MANAGEMENT COORDINATOR NEWS-
By: Gerald Ruhlman, Glade EMC

In the spirit of cooperation and preparation the township supervisors recently sponsored a tabletop exercise. The participants of the exercise included representatives from local townships (Elk, Glade & Pine Grove), fire departments (Scandia, Glade, Russell and North Warren) EMS (Emergycare) Law Enforcement (Warren County Sheriff’s Department & Pennsylvania State Police) EMA (Warren County Emergency Management) and Resources (Boy Scouts, Warren Electric Association & American Red Cross) while this commitment by all the above mentioned organizations is great and shows there commitment to protecting the community in the event of a disaster.

All the preparation can be for nothing if the public is not prepared for a disaster. I know that you cannot prepare for every possible thing that could or might happen. But it is as simple as just having a plan. As long as you and your family know what to do in case of a disaster it will make a bad situation a little bit more tolerable.

I have been the EMC since 2008, we have been very fortunate that we have only had one situation (flooding) were we had to look at implementing the disaster plan. We all need to be careful not to get in to the mindset that it will not happen around here. So please try to follow the fine example the township is setting by having a plan, reviewing the plan and practicing the plan. If you need any help setting up a plan please feel free to contact me or the township supervisors. We would be glad to help.
